Evaluations; Adjourn

** Denotes one hour of ethics credit*

Who Should Attend

The 3rd Annual Texas State CAMCO Symposium is designed for primary care physicians, physician assistants, nurse, nurse practitioners, radiation therapists, and students.

Program Objectives

Through lecture and Q&A, upon completion of the activity, participants should be able to:

- Describe genetic factors associated with BRCA mutations and analyze the role of genetic counseling in patients undergoing BRCA mutation testing;
- Discuss different modalities available for breast imaging;
- Describe the epidemiology of infection with HPV and cervical cancer;
- Discuss current data and implement professional practice guidelines for promoting informed decisionmaking for prostate cancer screening with prostate specific antigen; and
- Differentiate between tolerance, physical dependence, addiction, and pseudo-addiction and how these terms relate to barriers in pain management.

Accreditation

For Physicians: The Texas Medical Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. TMA designates this live activity for a maximum of 5 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. TMA has designated this activity for 4 hours of education in medical ethics and/or professional development.

For Nurses: Nurses may earn *5.0* contact hours of continuing nursing education. St. David's Institute for Learning is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity meets Type 1 criteria for mandatory continuing education requirements toward relicensure as established by the Texas Board of Nursing.
