Is your practice ready for EHR?

The Texas Regional Extension Centers are your one-stop shop for guidance and direct services. Visit the TMA REC Resource Center at www.texmed.org/rec for more information.

Is your practice ready for EHR?

The Texas Regional Extension Centers are your one-stop shop for guidance and direct services.

With your REC's help, you can answer these questions:

- ▶ Is my practice ready for an electronic health record (EHR)?
- ▶ Which EHR should I choose?
- ► What type of training will my staff need?
- How do I install an EHR with minimal disruption to my practice?
- ► How do I make meaningful use of an EHR so it helps my patients and earns me a Medicare or Medicaid incentive bonus?
- How can I qualify for incentives with my existing EHR?

Subscribe to your REC for \$300 a year for on-site services including:

- ▶ Initial practice assessment
- Vendor selection
- Practice workflow analysis and process redesign
- Implementation project review
- Post-implementation review
- ▶ Meaningful-use gap analysis and certification
- ► CME

Who is eligible for REC services?

REC services are targeted at primary care practices with 10 or fewer professionals with prescriptive privileges: internal medicine, family practice, pediatrics, and OB-Gyn.

Health Information Technology Practice Management Services

Visit the **TMA REC Resource Center** at **www.texmed.org/rec** for more information.
