

We're With You All the Way.

Practice Consulting

Advocacy

CME

Compliance Help

Career Support

Regardless of your career stage, TMA and your county medical society can keep you informed and a step ahead. We are here to help you survive medical school, navigate residency, and start your practice on solid footing. Plus, we can help you overcome your practice's daily challenges with management tools and resources.

Join today to take advantage of all TMA has to offer you and your practice at **join.texmed.org**.
