Presentation topics include:
• Primary Prevention and Risk Reduction
• Cancer Screening and Early Detection
• Diagnosis, Treatment, and Palliation
• Quality of Life and Survivorship

The Cancer Speakers Bureau is a project of the Texas Medical Association Committee on Cancer.

TMA’s Cancer Speakers Bureau is a group of volunteer cancer experts across the state who speak to physicians and other health care professionals on cancer prevention, screening, early detection, and control issues.

It’s easy to request a speaker. At least 60 days in advance, contact TMA with your topic choices and ideal program dates. TMA will contact members of the Cancer Speakers Bureau to determine availability and coordinate the speaker’s schedule.

Don’t see the topic you are looking for? Let us know what you need, and we will seek a speaker to meet your needs.

To request a speaker, or for more information, call (800) 880-7955 or email knowledge@texmed.org.
