

GET MOVING. STAY SAFE. WEAR A HELMET.

GUIDELINES FOR RECOGNIZING THE TEXAS ACADEMY OF FAMILY PHYSICIANS

Because the Texas Academy of Family Physicians (TAFP) has provided helmets for your event, please use this wording in promotional materials to properly credit sponsors of the Texas Medical Association's Hard Hats for Little Heads:

Texas Medical Association's Hard Hats for Little Heads program promotes exercise and teaches children and their parents about the importance of wearing a helmet when bicycling, in-line skating, skateboarding, and when riding scooters.

The TAFP has joined with TMA in this effort to promote safety and exercise.

Funding for TMA's Hard Hats for Little Heads is provided by the Texas Medical Association Foundation thanks to generous donations from Blue Cross and Blue Shield of Texas and Prudential Financial, and gifts from physicians and their families.
