

## Core Set: Measure 12

### Objective

Provide patients with an electronic copy of their health information (including diagnostic test results, problem lists, medication lists, medication allergies) upon request

### Measure

More than 50% of all patients who request an electronic copy of their health information are provided it within 3 business days

*NextGen Products to Help Demonstrate Meaningful Use*  
**NextGen Ambulatory EHR 5.6 SP1**  
**KBM Version 7.6 or later (with all service packs)**  
**NextGen Medical Summary Utility**

NextGen provides fields on the Protected Health Information (PHI) log template to document request and fulfillment information

- The crystal report will use data from the date requested field for the numerator and data from the date processed for the numerator.
