Summary of Care

Objective – The EP who transitions their patient to another setting of care or provider of care or refers their patient to another provider of care should provide a Summary of Care record for each transaction of care or referral.

Measure – The EP who transitions or refers their patient to another setting of care or provider of care provides a summary of care record for more than 50% of transitions of care and referrals.

‘How-To’ in PrimeSUITE 2011 – The Plan section will now include two new checkboxes – Care Transition and Summary of Care Provided.
