

Actual 2011 Texas Medical School Graduates and Projected Graduates Based on Estimated Graduation Rates Through 2014/15

Texas Medical Schools	2007/08 Entry-Level Enrollments	ACTUAL 2010/11 Graduates	2008/09 Entry-Level Enrollments	<i>Projected</i> 2011/12 Graduates	2009/10 Entry-Level Enrollments	<i>Projected</i> 2012/13 Graduates	2010/11 Entry-Level Enrollments	<i>Projected</i> 2013/14 Graduates	2011/12 Entry-Level Enrollments	<i>Projected</i> 2014/15 Graduates
UT Southwestern	219	207	219	211	227	219	230	222	230	222
UT Houston	230	241	235	227	230	222	230	222	240	232
UTMB	226	215	229	221	229	221	228	220	226	218
UT San Antonio	219	216	221	213	220	212	220	212	216	209
TAMU	107	100	139	134	141	136	151	146	201	194
Texas Tech	138	144	139	134	150	145	143	138	150	145
Foster El Paso	<i>Not applicable</i>				40	39	59	57	84	81
Univ North Texas	165	159	175	169	186	180	201	194	230	222
Baylor	171	176	176	170	186	180	185	179	185	179
State Total	1,475	1,458	1,533	1,480	1,609	1,554	1,647	1,591	1,762	1,702

Note: projected graduates based on entry-level enrollments with a projected 96.57% graduation rate four years later, representing the average graduation rate for students who entered medical school from 2000/01 through 2007/08 for all Texas medical schools.

	2010	2011	2012	2013	2014	2015
Medical School Graduates: Recent Years	1,378	1,458				
Projected			1,480	1,554	1,591	1,702
1st-Year GME Positions Offered in Match: Allopathic	1,390	1,445				
1st-Year GME Positions Filled: Osteopathic	26	31				
TOTAL 1st-Year GME Positions: MD & DO	1,416	1,476				
Net Difference: TX Med. Schl. Grads and 1st-Year GME Offers	38	18				
PROJECTED GAP (Grads. vs. 1st-Year GME) IF NO GROWTH from 2011			-4	-78	-115	-226

(NOTE: For comparison purposes only, projections assume NO GROWTH FROM 2011 when 1,476 PGY-1 positions were offered in the Match)

Note: Positions offered in the 2011 Match for osteopathic programs were not available, filled positions were substituted.

Due to space restrictions, 2006/07 entry-level enrollments and 2009/10 graduates are not shown by medical school in table above.
