TMA WILL BEGIN MAILING 2015 MEMBERSHIP RENEWAL STATEMENTS OCT. 1

September 23, 2014

Dear Dr. Wong:

We value your membership and participation, and I urge you to [renew online](#) today. Every day, outside intrusions threaten our practices and the care of our patients as we know it. Our association advocates relentlessly at the state and federal levels to eliminate red tape and bureaucracy. As TMA works to effect these legislative fixes, we also provide [first-class solutions](#) to all your practice headaches.

The 2015 congressional and state legislative sessions are right around the corner. [TMA's Healthy Vision 2020, Second Edition](#), articulates in detail what we are asking of the Texas Legislature, the U.S. Congress, and state and federal regulators.

Only with your support can we kill or amend the bad bills and pass the ones that are good for medicine and patients. Please [renew today!](#)

RENEW TODAY

Sincerely,

Austin I. King, MD
President
Texas Medical Association

P.S. Take a few moments to check your [online membership profile](#) and make any corrections needed. That way, prospective patients and referring colleagues who visit TMA's online Find a Physician directory can find you.
