

Think TMA

...for all your practice and professional needs.

Physicians joining TMA tap into a world of resources. In addition to powerful legislative, regulatory, and legal advocacy, TMA has earned a strong reputation as the “go-to” resource for physicians and for practice support and educational resources. Here are just a few examples:

- **Tips and tools: Coding and Billing Hotline:** Call for one-on-one help with payment, compliance, billing and coding.
- **DocbookMD:** Collaborate easily with colleagues using this HIPAA-compliant mobile app, and quickly share patient information, pictures of x-rays, and test results.
- **Education Center /CME:** Learn about practice operations and risk management through accredited seminars, webinars, and publications.
- **Deadlines for Doctors:** See a big-picture view of state and federal health care compliance dates and key health policy issues.
- **Practice Consulting:** Receive custom solutions to your operational challenges.
- **Hassle Factor Log:** Get help recovering money from incorrectly processed claims, lost or delayed Medicare enrollment applications, and more.
- **TMA Knowledge Center:** Get answers to your most commonly asked questions about HIPAA, Medicare, and more.
