

June 2015
Staci,

Immunization Collaboration of Tarrant County

Be Wise — Immunize™
It's an Act of Love

This is my annual request for bottled water for the Immunization Collaboration of Tarrant County 2015 vaccine events. For the past few years Kroger and TAFB have provided water for volunteers and families that bring children for vaccines. I am hoping you can assist again this year. We need **10 cases of water on Monday, Aug. 10:**

Family Life Center (side entrance is easiest – we will open door from inside)

1601 North Davis Drive

Arlington, TX 76012

Delivered before 11 am Contact phones: Terri 817-980-2552 or Anita 817-925-9386

ICTC is scheduled for vaccine events at this location: Aug. 10–15, 2015

Please let me know if this is possible or if I need to seek other options. ICTC served more than 7,400 children with 19,162 doses of vaccine during 2014. Having the supply of water bottles is a huge benefit for both the volunteers and the children and their families. Remaining water at the end of August is used during the spring ICTC teen at school vaccine projects.

ICTC August 2015 vaccine event flyers are already been dropped off at TAFB for distribution this month to go in the lunch packs.

THANK YOU!!

Terri Andrews
