

# Welcome, Doctor!

"It is difficult to 'run a practice and wear all the hats.' Having a trusted advisor to help you get started on the right track is invaluable. And it also made me more confident that I wasn't missing some vital components to opening a practice that otherwise might have been missed."

— Ted Lain, MD

Physicians Caring for Texans

## Are you

**... relocating to Texas?**

**... a recent medical school graduate?**

**... just starting your practice?**

**... an out-of-state physician seeking licensure in Texas?**

**... needing help navigating the world of Texas medicine?**

If you answered "Yes" to any of these, the Texas Medical Association is here to help.

TMA is your one-stop resource for everything you need to care for your business and your patients. From setting up your practice, to navigating the complex laws and regulations unique to Texas medicine and getting your medical license, TMA is your trusted source for help.

For more on getting settled in Texas or the many benefits and services available to TMA members, visit [www.texmed.org/NewToTexas](http://www.texmed.org/NewToTexas).
