

YOU TAKE CARE OF TEXANS.

We take care of you and your practice.

In addition to strong advocacy that gives every physician a voice in Texas medicine, TMA and your county society offer top-notch, trusted services to keep your practice strong and viable.

- Hundreds of hours of free continuing medical education (including ethics)
www.texmed.org/Education
- Help with payer problems and the hurdles to getting paid
www.texmed.org/GetPaid
- Answers to your questions about maintenance of certification, do-not-resuscitate orders, telemedicine, and much more at no cost to you!
www.texmed.org/GetAnswers
- Programs to help improve the health of your community
www.texmed.org/CommunityOutreach
- Help to start or join an accountable care organization (ACO), or to better understand value-based care opportunities. TMA PracticeEdge is supporting the independent practice of medicine in Texas by helping practices form and optimize their own physician-led ACO. More than 80 percent of the participating physicians maintain solo or small practices.

Physicians Caring for Texans

Contributions or gifts to Texas Medical Association (TMA) and any county medical society (CMS) are not tax-deductible as charitable contributions for federal income tax purposes. However, a portion of dues may be tax-deductible as ordinary and necessary business expenses. TMA estimates that 17 percent of your 2014 TMA dues will be nondeductible, as this portion is allocable to lobbying as defined by law. A mandatory \$20 of TMA regular membership dues is for a one-year subscription to *Texas Medicine* magazine.

The TMA Foundation is a 501 (c) (3) established by TMA to raise funds for selected TMA programs that carry out its vision "to improve the health of all Texans" including Be Wise — ImmunizeSM, Hard Hats for Little Heads, and more. Donations to TMAF are tax-deductible to the full extent permitted by law.

Texas Medical Association Political Action Committee (TEXPAC) is a bi-partisan political action committee of TMA and affiliated with the American Medical Association Political Action Committee (AMPAC) for congressional contribution purposes only. Its goal is to support and elect pro-medicine candidates on both the federal and state level. Voluntary contributions by individuals to TEXPAC should be written on personal checks. Funds attributed to individuals or professional association (PAs) that would exceed federal contribution limits will be placed in the TEXPAC statewide account to support non-federal political candidates. Contributions are not limited to the suggested amounts. TEXPAC will not favor or disadvantage anyone based on the amounts or failure to make contributions. Contributions used for federal

purposes are subject to the prohibitions and limitations of the Federal Election Campaign Act.

Contributions or gifts to TEXPAC or any CMS PAC are not deductible as charitable contributions or business expenses for Federal income tax purposes.

Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 in a calendar year. To satisfy this regulation, please include your occupation and employer information in the space provided. Contributions from a practice business account must disclose the name of the practice and the allocation of contributions for each contributing owner. Should you have any questions, please call TEXPAC at (512) 370-1361.

Be Wise — Immunize is a service mark of the Texas Medical Association.
