ADVANCING AND INNOVATING

Achieved 1.1:1 goal for ratio of first-year residency positions per Texas medical school graduate

Advocated against onerous **maintenance of certification** requirements and for improved due process

Established "zero maternal deaths" goal as a result of first **TMA Maternal Health Congress**

Stopped proposed overhaul of Medicare coding levels that would have resulted in **payment cuts**

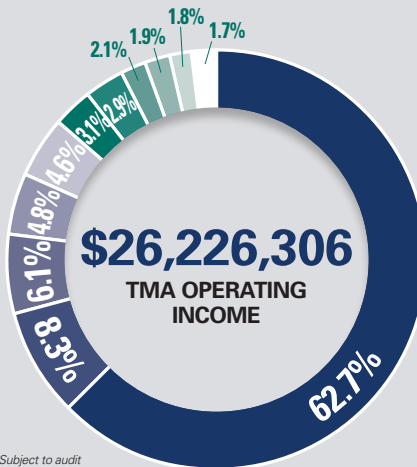

Recognized by Office of National Coordinator for **TMA's EHR comparison tool**

Reached record number of Texas **medical license** applications

Persisted in advocacy against unfair performance standards in **Medicare Quality Payment Program**

I've stood beside my colleagues in support of medicine with the conviction that if we fight for our patients' best interests, we will succeed in crafting good policy for Texas.

Doug Curran, MD, 2018-19 TMA President
