You work hard to ensure a healthy Texas. TMA works hard for you.

STAYING TMA STRONG DURING THE PANDEMIC

- Held first virtual House of Delegates
- Developed PPE needs assessment portal and online store
- Established the TMA COVID-19 Task Force and Resource Center to assist physicians in pandemic response
- Awarded first Physicians Benevolent Wellness Funds
- Launched Vaccines Defend What Matters and new health outreach program grants
- Delayed medical billing tax and mandatory checks of the Prescription Monitoring Program
- Worked with Medicare and Congress to avoid payment penalties in the Quality Payment Program
- Secured the maintenance of state COVID-19 relief and flexibilities
- Established LGBTQ Health Section
- Created TMA Diversity and Inclusion Committee

2020 ANNUAL REPORT

Start Your Day With TMA

Texas Medicine Today is your trusted source for all TMA news and member information. Delivered to your inbox each weekday morning.
The current priority is to get us back to taking care of our patients safely. Once the pandemic issues get under control, let’s respond in a stronger way than in the past for what needs to change, considering the sacrifices we have made for our patients have cost us so dearly.

Diana L. Fite, MD, TMA president, 2020-21
