(512) 370-1454.

Thursday, March 7 • 6-8 pm

Jimmy Changas • 3515 Business Center Drive • Pearland, TX • 77584

Presented by TMA President, Douglas W. Curran, MD

ABOUT THE PROGRAM

During the 86th Texas legislative session, TMA will work with legislators to champion medicine and protect the enduring sanctity of the patient-physician relationship.

With more than 52,000 members, TMA will not back down from tough issues that impact the practice of medicine. By vigorously advocating for a sustainable and efficient health care system, TMA will enable physician-led teams to continue providing access to quality health care for all Texans. Learn how you can help in this effort, and how to join us for First Tuesdays at the Capitol during session.

COURSE OBJECTIVES

Upon completion of this program, participants should be able to:

- Describe TMA's legislative strategies that ensure an improved health care landscape for physicians and their patients;
- Identify the unique health care challenges Texas physicians and their patients continue to face;
- Discuss specific actions TMA is taking to address legislative issues on state and federal levels; and
- Implement steps that physicians and their patients can take to continue improving the health care system.

Physicians Caring for Texans

Continuing Medical Education The Texas Medical Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. TMA designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Texas Medical Association designates this activity for up to 1 hour in the area of ethics and/or professional responsibility education.

Disclosure of relevant financial relationships Policies and standards of the Texas Medical Association, the Accreditation Council for Continuing Medical Education, and the American Medical Association require that speakers and planners for continuing medical education activities disclose any relevant financial relationships they may have with commercial entities whose products, devices or services may be discussed in the content of the CME activity. The content of this material does not relate to any product of a commercial interest; therefore, there are no relevant financial relationships to disclose.
