Introduction

This index includes three parts: Subject Index, Author Index, and Deaths. Medical terminology follows MeSH (Medical Subject Headings), used for PubMed and other indexes and databases produced by the National Library of Medicine. Non-MeSH terms are those preferred by the author or commonly used within the discipline.

Subject Index

A
Abbott, Greg
[proclamation on fifteenth anniversary of tort reform] (Pulse), Nov p 4
TEXPAC endorsement, 2018 primary, Mar p 39
Abdulbaki, Mahmoud
minority students awarded TMA scholarships (photo), Jul p 32
Abell, Mary Anderson and Joseph M.
donors, “The First Recorded Surgical Operation in North American: Cabeza de Vaca, 1535” (Looking Back), May p 6
Abortion
Texas fetal-remains disposal law nullified (Rounds), Nov p 11
ACA. See Patient Protection and Affordable Care Act
Accountable Care Organizations
ACOs and Medicare shared savings: by the numbers, Dec p 21
the edge of success: TMA PracticeEdge helps ACO save nearly $2 million, Mar p 10
marriage material: independent practices are finding success in commitment to accountable care organizations, Dec pp 16–21
population health management: the power of physician leaders (Contract Clause of the Month) (Commentary), Feb pp 12–13
Accreditation Commission for Education in Nursing (ACEN)
advanced education? TMA pushes state for standards in APRN clinical training (Legislative Affairs), Oct pp 28–31
Acupuncture
proposal would maintain unauthorized scope for chiropractors (Rounds), Oct p 14
Adams, Jerome
[on gun violence] (Rounds), Aug p 14
Adaptation, Psychological
letting ZDOGG off the chain, Apr pp 31–35 (photo)
Advanced Practice Nursing
advanced education? TMA pushes state for standards in APRN clinical training (Legislative Affairs), Oct pp 28–31
AMA House resolution on APRN Multistate Compact (Rounds), Jan p 18
financial squeeze: low Medicaid pay has Dallas clinics turning to midlevels to cut costs, raising quality concerns, Sep pp 23–27
medical associations challenge nursing boards council (Rounds), Jul pp 13–14
rules of delegation, Sep p 26
Advertising
looking back: statues of medications (Pulse), Apr p 6
African Americans
[Hurricane Harvey impacts on], Aug p 20
Agilon Health
capital gains: can physicians line up venture capital without letting go of their independence? it's not so easy, Dec p 25
Air Ambulances
James Kempema, MD, Travis County STAR Flight's medical director (Q&A), 24–25 (photo)
Air Pollution
the code of life: physicians can use ZIP codes to better understand their patients' health problems, May p 45
Aldrete, James
Texas physicians advised to step up involvement in campaigns, Jan p 36 (photo)
Alexander, Mathew
coming of age: fifteen years later, Texas tort reforms have provided needed physician influx, Sep p 17
Alford, Steven
does hospital plan to give CRNAs autonomy? (Rounds), Sep pp 10–11

Alliance for Innovation on Maternal Health (AIM)
finding ways to save new moms: TMA’s Maternal Health Congress looks for answers to Texas’ maternal mortality rate, May p 38

Allison, Steve
medicine-friendly candidates win primary runoff elections (Rounds), Jul p 12
running off the enemy: following primary success, TEXPAC works to give more medicine-friendly candidates final nudge to November, May p 41

Allliance ACO
marriage material: independent practices are finding success in commitment to accountable care organizations, Dec pp 16–21

Allman, Jennifer Carr
Texas Catholic Conference of Bishops support for SB 11, Mar p 29

Alternative Payment Models (APMs)
key changes to QPP in 2018: what you need to know (Rounds), Feb pp 17–18
new options for Medicare’s 2019 QPP (Rounds), Nov p 8
review your Medicare quality scores before Oct. 1 (Rounds), Sep p 10
TMA persuades CMS to give Harvey-affected physicians a break (Rounds), Feb p 17

Alvarez, Jorge
Q&A [as care provider at 2013 Boston Marathon bombing], Apr pp 28–29 (photo)

Ambulatory Care Facilities
partnership puts medical students in outpatient facilities (Rounds), May p 18

American Academy of Physician Assistants (AAPA)
physician assistants consider name change (Rounds), Aug pp 11–12

American Association of Medical Society Executives (AAMSE)
[Steve Levine as president], Sep p 2

American Board of Medical Specialties (ABMS)
is your board certification safe? even a minor disciplinary order could pose risks (Law), Jun pp 38–40

American Medical Association
House of Delegates

AMA house tackles scope challenges, payment problems (Rounds), Jan pp 16–20
AMA roundup: House tackles nation’s ills (Rounds), Aug pp 14–17
better MOC? (Rounds), Aug p 15
burnout needs more than a Band-Aid (Rounds), Jan p 18
a “consistent national strategy” on scope incursions (Rounds), Jan p 18
drug shortages as urgent public health crisis (Rounds), Aug pp 15–16
fighting opioid abuse with science (Rounds), Aug p 14
modifier 25 pushback (Rounds), Jan p 18
[on gun violence and mental health system inadequacies] (Rounds), Aug p 14
other issues merit action (Rounds), Jan pp 19–21, Aug pp 16–17
Texans, Texas ideas prevail (Rounds), Aug p 16
Texas delegates and committee appointments (Rounds), Jan pp 18–19
Texas delegates elected to Medical Student Section Region 3 leadership positions (Rounds), Aug p 16
Texas policy proposals winning support in House (Rounds), Aug p 16
TMA asks AMA to stay out of Affordable Care Act suit (Rounds), Aug p 10

American Red Cross
fighting on two fronts; the only female Texas physician to serve in World War I broke barriers in more ways than one, Aug pp 36–39

Analgesics, Non-narcotic
“the future” of pain treatment? a Fort Worth anesthesiology group is working toward eliminating opioids: is it possible?, Apr pp 38–42

Analgesics, Opioid
CDC opioid recommendations (Legislative Affairs), Dec p 41
effects of opioid and nonsteroidal anti-inflammatory drugs on chronic low back pain and related measures: results from the PRECISION Pain Research Registry (Abstract), Oct p 6
“the future” of pain treatment? a Fort Worth anesthesiology group is working toward eliminating opioids: is it possible?, Apr pp 38–42
Analgesics, Opioid (continued)
legislators: MAT presents challenges in opioid battle (Rounds), Dec pp 11–12
the morphine access gap, Apr p 40
opioid overreach? state, retail pharmacy policies prompt scope-of-practice concerns (Legislative Affairs), Dec pp 40–43
Texas gets $46 million to fight opioid abuse (Rounds), Dec pp 10–11

Anecdotes
[communication using] (Pulse), Apr p 4
Angelo State University (San Angelo) through TMA, students at two Texas universities receive HPV vaccinations (Rounds), Apr pp 23–24, 26 (photo)

Anti-Inflammatory Agents, Non-Steroidal
effects of opioid and nonsteroidal anti-inflammatory drugs on chronic low back pain and related measures: results from the PRECISION Pain Research Registry (Abstract), Oct p 6

Appel, Noah
are you experienced? TMA weighs in on informed consent, Jan pp 38–41 (photo)

Aquino, Alejandro
minority students awarded TMA scholarships (photo), Jul p 32

Archives
highlighting medical artifacts from TMA’s archives (Pulse), Jan p 8

Arnold, Shirley
clinic in the colonias: student-run clinic helps the medically underserved while educating future physicians, Jun p 32 (photo)

Ashbel Smith Hall (Austin)
a building falls, but TMA stands tall (Pulse), May p 4

Ashby, Trent
rural residencies: Texas Tech’s rural training track brings more physicians to small towns, Dec p 36

Assistant Physicians
unmatched talent: TMA not ready for alternative licensing path for unmatched medical graduates, Jul pp 22–26

Attitude of Health Personnel
remembering the tailwinds; think of the good things in medicine, too (Commentary), Apr p 14

sound off on the state of medicine (Rounds), May p 17

Austin Regional Clinic (ARC)
capital gains: can physicians line up venture capital without letting go of their independence? it’s not so easy, Dec pp 22–25

Autopsy
improving health by examining the dead (Looking Back), Feb p 52
Q&A on, Mar p 30
stillbirth still a problem in Texas; new TMA recommendations help physicians with a problem that’s difficult medically and devastating emotionally, Oct pp 37–39
what Texas physicians were reading in February 1988 (Looking Back), Feb p 52

Aventa, Tony
sharing is caring? confusion surrounding health care-sharing ministries puts Texas Medical Association on alert, Aug p 32

Awards and Prizes
Realini, Janet, receives American College of Obstetrics and Gynecology Distinguished Service Award (Newsmakers), Jun p 13
science teachers recognized for excellence in teaching (Imaging), Jul p 32
these Texas physicians are Health Heroes (Pulse), Aug p 4 (photo)

Ayers, Carl
Fort Worth physician uses statistics to stop child abuse before it occurs (Q&A), Jul pp 10–11

B
Bachmann, Michael
Fort Worth physician uses statistics to stop child abuse before it occurs (Q&A), Jul pp 10–11

Bailes, Ernest
medicine defends friends in party primaries and wins big (Rounds), Apr p 20

Bailey, Heather
dreams do come true; a group of El Paso medical students has spent the last year bringing magical moments to sick kids (photo), Apr pp 36–37

Bailey, Susan Rudd
AMA house tackles scope challenges, payment problems (Rounds), Jan p 16 (photo)
Bailey, Susan Rudd (continued)
reelection as Speaker of AMA House of Delegates (Rounds), Aug p 14 (photo), Aug p 18
a stronger voice for women; event brings together leaders to improve the standing of female physicians in TMA, Dec p 29

Balance Billing
evening out the scale; TMA gears up for another legislative battle over surprise bills (Legislative Affairs), Nov pp 44–46

Bana, Sinan
alternate delegate to AMA house (Rounds), Jan p 19

Barbe, David
AMA house tackles scope challenges, payment problems (Rounds), Jan p 16 (photo)
AMA president (photo), Jul p 30
on modifier 25 pushback (Rounds), Jan p 18

Barratt, Harriet
dreams do come true; a group of El Paso medical students has spent the last year bringing magical moments to sick kids (photo), Apr pp 36–37

Bartlett, Richard
giving the world a helping hand; Odessa-area physician takes his skills overseas to help those facing war and poverty (Profile), Apr p 48 (photo)

Basketball
this surgeon [David R. Schmidt] puts broken Spurs back in the NBA saddle (Profile), Jun pp 18–19 (photo)

Bates, Evan
sharing is caring? confusion surrounding health care-sharing ministries puts Texas Medical Association on alert, Aug pp 30–32 (photo)

Beahm, Paul
opioid overreach? state, retail pharmacy policies prompt scope-of-practice concerns (Legislative Affairs), Dec p 41

Bearse, Eric
Texas physicians advised to step up involvement in campaigns, Jan p 36 (photo)

Becerra, Ivan
rural residencies: Texas Tech's rural training track brings more physicians to small towns, Dec pp 32–37 (photo)

Bell, Ira
remodeling Medicaid: value-based payment models are making Medicaid more patient-centered and more penny-wise, Jul p 16

Bell, Keith
medicine-friendly candidates win primary runoff elections (Rounds), Jul p 12

Belskie, Abram
artifact: medal commemorating William Crawford Gorgas, MD, by sculptor Abram Belskie, issued in 1969 (Looking Back), Jul p 6

Benge, Jim
are you experienced? TMA weighs in on informed consent, Jan pp 38–41
high court sides with medicine in nondisclosure case; TMA fights to spare physicians from additional requirements not part of informed consent (Law), Aug pp 42–43

Benge and Kelsey-Seybold Medical Group v. Williams
high court sides with medicine in nondisclosure case; TMA fights to spare physicians from additional requirements not part of informed consent (Law), Aug pp 42–43

Benton, Timothy
rural residencies: Texas Tech's rural training track brings more physicians to small towns, Dec pp 34, 37

Berberian, Esteban
the way back; lessons learned as practices emerge from Harvey's wrath, Aug p 27 (photo)

Berger, Alisa
a stronger voice for women; event brings together leaders to improve the standing of female physicians in TMA, Dec p 28

Berger, Michelle
[AMA policy on nonphysician screening tests], Jan p 18
"Movember": mustaches for men's health (Imaging), Nov p 26 (photo)

Bernica, Greg
Texans share lessons of Harvey (Rounds), Jan p 16

Bias, Travis
[immunizations and luxury to choose, blog posting] (Pulse), May p 4
Blackstock, Mathis
artifact: Spencer microscope donation (Looking Back) (Pulse), Jun p 10

Bloink, Jacqueline
what to do when employees steal: medical practices are a ripe target for embezzlement, Sep p 29

Blue Cross and Blue Shield of Texas (BCBSTX)
Blue Cross to put off HMO emergency coverage policy until August (Rounds), Jul p 12
blues to adjust denied ERS claims (Rounds), Jun p 15
population health management: the power of physician leaders (Contract Clause of the Month) (Commentary), Feb pp 12–13

Boatright, Donna
rural residencies: Texas Tech's rural training track brings more physicians to small towns, Dec p 34

Bonnen, Greg
you have MOC questions; TMA's new white paper can help (Rounds), Apr p 22

Borstein, Sue
remodeling Medicaid: value-based payment models are making Medicaid more patient-centered and more penny-wise, Jul pp 16–21

Boston Marathon Bombing (2013)
Jorge Alvarez, cardiologist [as care provider at Boston Marathon bombing] (Q&A), Apr pp 28–29 (photo)

Boswell, Joshua
corporate encroachment: recent complaints suggest threats to Texas' ban on corporate practice, Jul p 40

staying vigilant in an ever-changing digital
world (Rounds), Mar pp 18 (photo), 20
(photo)
Cardenas, Carlos J. *continued*

Texas share lessons of Harvey (Rounds), Jan p 18
TMA: TMB should stop hiding experts’ reviews of complaints (Rounds), Jun pp 12–13 (photo)

Cardiopulmonary Resuscitation

how effective is CPR?, Mar p 27
pump up the (heart) beat, May p 31
Senate Bill 11 brings new requirements for in-hospital DNR orders, Mar pp 25–29
Texas Two Step CPR save a life campaign (Imaging), May pp 30–31

Carlo, John

most Texans – including staunch Republicans – back vaccinations for school kids (Rounds), Oct p 18
[on vaccine opponents] (Pulse), Sep p 4
Texas share lessons of Harvey (Rounds), Jan p 18

Carlton, Stephen Brint

former county judge named TMB executive director (Rounds), Jun p 15 (photo)

Carter, Kimberly

gonital conundrum: physicians fight Texas’ stubborn rates of congenital infections, Jul pp 42–44

Casanova, Mark

Senate Bill 11 brings new requirements for in-hospital DNR orders, Mar pp 25–29 (photo)

Catalyst Health Network

partnership puts medical students in outpatient facilities (Rounds), May p 18

Cause of Death

the state of health in Texas: creativity, collaboration needed to reduce the growing burden of chronic disease, Feb pp 21–27

Cazares, Joey

friends and leaders: outgoing TMA, TDA presidents complete the latest step on “mirrored” journey, May pp 28–29 (photo)

Center for Healthcare Quality and Payment Reform (CHQPR)

marriage material: independent practices are finding success in commitment to accountable care organizations, Dec p 21

Centers for Disease Control and Prevention (U.S.)

[6/18 initiative], Feb p 26

Centers for Medicare and Medicaid Services (U.S.)

CMS delays dramatic payment changes (Rounds), Dec p 8
cornered; proposed Medicare fee overhaul could box in doctors, Oct pp 21–25
key changes to QPP in 2018: what you need to know (Rounds), Feb pp 17–18
the results are in: physicians finally see how they fared in first year of MIPS program, Sep pp 36–39
TMA persuades CMS to give Harvey-affected physicians a break (Rounds), Feb p 17
too big a step? medicine urges CMS to reverse new policy allowing "fail-first" drug programs, Nov pp 30–33

Certification

better MOC? (Rounds), Aug p 15
can 34,616 physicians be wrong about MOC? (Rounds), Sep p 13
is your board certification safe? even a minor disciplinary order could pose risks (Law), Jun pp 38–40
the new MOC law: get the facts, Jun p 39
questions abound: pain doctors, TMA concerned about proposed clinic inspection rules, Jan pp 42–44
you have MOC questions; TMA’s new white paper can help (Rounds), Apr pp 20–22

Cervical neoplasms

talk to patients about HPV; the vaccine can stop deadly cancers, Mar p 46

Chagas Disease

swat team: how is Texas coping with the deadly diseases that come from bugs?, Jun pp 21–25

Chesnut, Michelle

[featured on cover of *Texas Medicine*], Aug p 40 (photo)

Chickenpox

talk to patients about varicella, Sep p 46

Chikungunya Virus

swat team: how is Texas coping with the deadly diseases that come from bugs?, Jun pp 21–25

Child, Foster

physician examination of, Mar p 34

Child, Hospitalized

dreams do come true; a group of El Paso medical students has spent the last year bringing magical moments to sick kids (photo), Apr pp 36–37
Child Abuse
Fort Worth physician uses statistics to stop child abuse before it occurs (Q&A), Jul pp 10–11
Child Protective Services (CPS)
fostering change: can recent changes to Texas' child welfare system help make a broken system better?, Mar pp 32–35
impact of SB 11 on, Mar p 33
Children
snapshot of the littlest Texans (Pulse), Jan p 6
