TexMed 2017 will feature three exceptional keynote speakers!

William H. McRaven, Chancellor, The University of Texas System; Former U.S. Navy Admiral

*Physicians in the Age of Terrorism – Stories of the Battlefield*

William H. McRaven is Chancellor of The University of Texas System. A retired U.S. Navy four-star admiral and leader of one of the nation’s largest and most respected systems of higher education, Chancellor McRaven will address the recent history of our nation’s security as well as the Texas higher education system.

Kevin Pho, MD, Founder, www.KevinMD.com

*Connect and Be Heard: Make a Difference in Health Care with Social Media*

Kevin Pho, MD, is an internal medicine physician and founder of the wildly popular blog KevinMD.com. Dr. Pho’s presentation will take you through his decade-long social media journey and show how social media can make a profound difference in health care.

Pete Blair, PhD, Executive Director, Advanced Law Enforcement Rapid Response Training (ALERRT) Center at Texas State University

*Civilian Response to an Active Shooter Situation*

Pete Blair, PhD, is a professor of criminal justice at Texas State University and the executive director of ALERRT. Dr. Blair will address the frequency of active shooter events, and the importance of training and preparing our nation’s first responders for these critical situations before they occur.
