Texas Medical Association Political Action Committee (TEXPAC) is a bipartisan political action committee of TMA and affiliated with the American Medical Association Political Action Committee (AMPAC) for congressional contribution purposes only. Its goal is to support and elect pro-medicine candidates on both the federal level and the state level. Voluntary contributions by individuals to TEXPAC should be written on personal checks. Funds attributed to individuals or professional associations (PAs) that would exceed federal contribution limits will be placed in the TEXPAC statewide account to support nonfederal political candidates. Contributions are not limited to the suggested amounts. TEXPAC will not favor or disadvantage anyone based on the amounts or failure to make contributions. Contributions used for federal purposes are subject to the prohibitions and limitations of the Federal Election Campaign Act. Contributions or gifts to TEXPAC or any county medical society PAC are not deductible as charitable contributions or business expenses for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed $200 in a calendar year. To satisfy this regulation, please include your occupation and employer information in the space provided. Contributions from a practice business account must disclose the name of the practice and the allocation of contributions for each contributing owner. Should you have any questions, please call TEXPAC at (512) 370-1361.

Join us this election cycle and let TEXPAC advocate for you on the issues that matter most to Texas physicians.
